DRESS CODE:

Reminder—it is your job to share the dress code with your guest!

1. Formal attire is required. This includes tuxedos, suits (jacket, tie, dress shirt and slacks), military dress uniforms, and formal dresses.
2. Tuxedo coats may be removed after Grand March, but the dress shirt must remain on and buttoned during prom. You may unbutton the collar once dancing begins, but not the entire shirt.
3. Students may ONLY wear hats that are considered formal wear—no baseball caps.
4. Shoes are required.
5. Sunglasses are NOT to be worn during grand march.
6. Piercings are prohibited when worn in any visible body part other than the ear or nose. Only small studs are allowed in the nose.

7. PROM DRESSES

- ❖ Should not be shorter than fingertip length (this includes slits in dress)
- ❖ Should not be too low cut in the back. Your bottom should not show at any time during prom, whether you are standing, walking, sitting, dancing, leaning, etc;
- ❖ Should not reveal cleavage. No plunging necklines allowed.
- ❖ Should not have cutouts that reveal skin on the midriff or sides of the dress. No 2-piece dresses that show midriff allowed.
- ❖ Should not have sheer, skin-toned fabric that gives the illusion of bare skin in areas that should not be bare

Please be responsible when choosing your dress for PROM. We have eliminated turning in pictures of your dress for pre-approval. However, if you arrive and your dress is not appropriate you will be asked to leave and not return until you have appropriate attire. If you have a question about the dress you choose, please bring a picture and ask a principal. Do not risk being sent home from prom.
